

AUTOMATIC BEV® BURNER

The BEV Technology® guarantees burning that is free of smoke, odor, or ash. This technology creates a flame by burning ethanol vapors, ensuring that the fire has no direct contact with the liquid fuel.

REMOTE CONTROL

Easily control your fireplace with the handy remote. You're in charge of the flames. Go for one of 6 flame levels to adjust the ambience and coziness to your needs.

STAR-SHAPED BURNER

A round fireplace with a star-shaped burner offers a mesmerizing and artistic fire display, transforming any space into a visually stunning and inviting atmosphere.

MOBILE APP

A fireplace controlled by an app offers the convenience of adjusting flame settings and ambience remotely, enhancing comfort and ease of use.

AUTOMATIC REFILLING

The burner features a built-in automatic pump with a fuel hose. Simply place the hose in the fuel container and press the button — the system fills the tank and stops automatically when full, preventing overflow.

OUTDOOR AUTOMATIC FIRE

A new level of automatic ethanol fireplace. With electronics sealed in a watertight compartment, Comet Outdoor is fully resistant to rain and humidity, making it ideal for outdoor use.
