

Electric Fireplace

MULTIZONE COLORFLOW

Astro lets you fill the room with colours you love. Bring your personal style to the fireplace by customizing colours of 3 separate zones: flame, glowing floor and logs illumination.

NATURAL LOOK

Resin logs and vivid crystals bring the most spectacular look to the fire.

WARM UP YOUR HOME!

Astro introduces a built-in electric Heatflow System. Set the heating level and enjoy efficient warm ambience without any exhaust.

YOU DESIGN!

Four lengths and four shapes. Each Astro model comes with two side panels. As an option you can cover one or two sides of the firebox to give it the desired design.

REMOTE & WALL SWITCH

Take full control over the fireplace with the intuitive and minimalistic remote and wireless Wall Switch panel.
